No Tax Dollars for NHL Arenas

To the Premier and Prime Minister:

Whereas every single NHL arena built in Canada in the past two decades has been built with virtually 100% private funds (Vancouver, Toronto, Ottawa and Montreal);

Whereas considerable peer-reviewed academic research has shown that new arenas and stadiums do not create any economic benefits for a city, but merely shift economic activity;

We the undersigned call on the local, provincial and federal governments to refuse to provide public funds to help build NHL arenas for Edmonton and Calgary.
