

City of Regina
CTF 2009 Municipal Candidate Survey

Candidate	Position	Do you oppose the provincial government giving expanded taxation powers to cities?	Do you support a city-wide giveaway weekend where citizens would put free items on their front curb for anyone to take so that they don't end up prematurely in the city landfill?	Do you support limiting annual tax increases to Regina's rate of inflation?	Do you oppose an expansion of the city's amusement tax to include Roughriders, Rams, and Pats games; entertainment at the exhibition grounds; live theatre and opera venues?	Do you support the closure of the money-losing Regent Par 3 Golf Course?	What is the maximum amount of city tax dollars (in millions) that you would support to pay for an expansion to, or replacement of, Mosaic Stadium?
