Hi Derek,

We received information from our records group who indicated that the information would be destroyed 6 years after the last administrative action, NO authorization is required from records as the destruction is mandatory. The records were therefore destroyed according to the Multi Institutional Disposition Authority.

thanks

James

Hi Derek,

I just wanted to touch base with you in regards to your file. One of our analysts (Alex Kennedy) is currently gathering information from records to assist you with this matter. I have cc'ed him on this email so he can contact you directly once a response is received.

thanks

James
