Dear Mr. Craig:

This letter is in response to the request you submitted under the Access to Information Act for:

“Please provide documentation on the total amount spent on a golf membership and dues for the CEO over the past 3 years as well as documentation on the number of times the CEO has entertained clients at the golf course, who the clients were, date and cost to the FFMC for each occasion.”

I am providing a copy of an email from Glendale Golf Course which outlines Mr. Wood's portion of dues was \$1220.00 plus \$61.00 GST. This constitutes his portion of an annual membership for 2011. The year 2011 is the only year for which there were charges. I am confirming that the CEO did not entertain any clients at the golf course resulting in no cost to the Freshwater Fish Marketing Corporation.

Please be advised that you are entitled to complain to the Information Commissioner concerning the processing of your request within sixty days of receipt of this notice. In the event you decide to avail yourself of this right, your notice of complaint should be addressed to:

Office of the Information Commissioner
