Dear Mr. Craig:

**RE: Applications for Access  
Our File FOI 2014-61**

---

Our response to your recent request under *The Freedom of Information and Protection of Privacy Act* (Manitoba), is as follows:

2014-61 Please provide documentation on the number of cases (over the last five years) that Manitoba Hydro has referred to either the RCMP or other police bodies involving northern First Nations and inappropriate expenditures”.

Your request is granted. It seems to be asking how many cases have been referred, rather than seeking production of specific records. We can advise that there has been one such case. Our understanding is that the matter is currently before the courts.

Please let us know if you have any comments or questions. Thank you.

Yours truly,

A handwritten signature in black ink that reads "Valerie Gilroy".
