Dear Mr. Craig:

RE: Your Access to Information Request Number ED14/11G

Thank you for your access to information request received in this office on August 4, 2011 requesting K-12 enrolment figures for each school division in the province over the past ten school years, noting amalgamations where appropriate.

This is to inform you that all information in possession of the Ministry of Education pertaining to your request is being provided. As you will note from the attached information, we have provided enrolment data back to 2001 and noted which school divisions merged with other school divisions. You should be aware that some mergers may not have included the entire school division as some portions of a school division may have been merged with another school division. Enrolment figures for the 2011-12 school year are not yet available.

If you would like to exercise your right to request a review of this decision, you may do so by completing a "Request for Review" form and forwarding it to the Saskatchewan Information and Privacy Commissioner within one year of this notice. Your completed form can be sent to #503 - 1801 Hamilton Street, Regina, Saskatchewan, S4P 4B4.
