CRIC Disclosure

Basic Disclosure Elements	Details
Research sponsor	Canadian Taxpayers Federation
Research/Data collection supplier	Insightrix
Population represented	Adults in Saskatchewan
Sample size	n=400
Mode of data collection	Online, part of a public opinion polling survey
Source of sample	Insightrix SaskWatch Research® panel (http://saskwatch.ca)
Respondent compensation	Respondents were provided panel points as an incentive to complete the survey
Type of sample	Non-probability
Start and end dates of data collection	May 27 - May 28, 2024
Margin of sampling error for total sample	Since the research is conducted online, it is considered to be a non-probability proportion sample; therefore, margins of error are not applicable. However, the margin of error can be estimated to be +/- 3.5 percentage points, 19 times out of 20 for questions answered by all respondents.
Are the data weighted?	No. Region, age and gender quotas were set to match the 2021 Canadian census.

About Insightrix

Insightrix Research is a market research company founded by Corrin Harper, CEO, and Larry Goodfellow, COO in Saskatoon, SK. Insightrix is a full-service agency, offering qualitative and quantitative research services since 2001.

Visit <https://www.insightrix.com/> for more information.

About SaskWatch

SaskWatch Research is a Saskatchewan-only panel that provides residents an opportunity to make their opinions matter and voice heard on issues related to Saskatchewan. This community is wholly owned and managed by Insightrix. Members sign up, receive survey invitations by email, and complete surveys on various topics. The online panel allows members to influence political, social, and consumer decision-makers.

Visit <https://info.saskwatch.ca/> for more information.
