Dear Mr. Bateman,

On December 13, 2016, we received your access request for “All costs, including legal, in the cases vs. Inna Danylyuk. This should include legal fees for both court proceedings”.

We can advise you that the only costs that TransLink incurred with respect to court proceedings relating to the fare infraction notice issued to Inna Danylyuk are costs related to legal fees. As such costs are subject to solicitor-client privilege, pursuant to s. 14 of the Freedom of Information & Protection of Privacy Act, we are unable to provide such information to you.

If you disagree with our decision, you may seek a review, by the Office of the Information & Privacy Commissioner for BC (OIPC), within 30 days.

Yours truly,
Colleen
