

2014 Survey of Candidates for Federal Nominations in Select Alberta Ridings

The Canadian Taxpayers Federation (CTF) invites you to complete the attached five-question survey in order to better inform voters & CTF supporters of your policy positions.

While we appreciate that candidates may find a "yes" or "no" answer restrictive, this survey is meant as a short "cheat sheet" for use by voters and CTF supporters. If you still find this too restrictive, please still give a "yes" or "no," but feel free to leave a short comment of 50 words or less that we can post on our website.

Please be advised that all survey responses must be submitted by 12:00 PM on April 1, 2014. Please send your response to CTF Alberta Director, Derek Fildebrandt by email at dfildebrandt@taxpayer.com. If you have any questions, please feel free to contact us at this email address or by phone at 1-800-661-0187.

Thank you, and good luck in your campaign.

Please circle "yes" or "no." If further explanation is required, please leave a comment of 50 words or less.

1. If elected MP, will you post all of your MP expenses individualized and with receipts – online, using the model established by the Government of Alberta?

Yes No

I am personally fine with that. Currently, Conservative MPs are following the proactive disclosure model of disclosing travel and hospitality expenses every three months voluntarily on their website. This information is broken down by date, type, and amount of expense. As of April 1st 2014, MPs will be following the Ministerial model as per the Accountability Act. Therefore, their travel and hospitality expenses will be posted on a Government of Canada website.

2. If elected MP, will you support the establishment of a federal "sunshine list," disclosing the salaries, wages, pension contributions, and other cash benefits of all federal employees earning \$100,000 or more, indexed to inflation?

Yes No

I wanted Brent Rathgeber's bill to pass
unamended.

3. If elected MP, will you support and advocate for a lower, simpler, flatter federal income tax?

Yes

No

If 10% is good enough for God it is
good enough for government.

4. If elected MP, will you oppose any potential increase in the federal gas and diesel taxes?

Yes

No

5. If elected MP, will you oppose government going into debt for any reason other than major wars or natural disasters, including borrowing for infrastructure assets?

Yes

No

I have aggressively fought for spending reductions
throughout my career.
