Together, the positions represented in this list provide managerial, technical and professional support to the full range of municipal services provided to citizens. The variety of positions includes senior managers, emergency responders (police, fire fighters, paramedics), engineers, architects, chemists, technologists, planners, accountants, medical professionals, lawyers, surveyors, assessors, information technology professionals, librarians, research and policy analysts as well as many others.

City employees are listed alphabetically by department. ***The figure reported for each employee includes salary and taxable benefits, overtime, retroactive pay adjustments, retirement allowance, sick pay cash out, vacation pay cash out, back pay and severance pay.*** The amounts do not include payments made or benefits accrued in relation to pension plans.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Councillors of The City of Winnipeg

We have audited the accompanying schedule of compensation equal to or in excess of \$50,000 for individuals employed or affiliated with The City of Winnipeg for the calendar year ended December 31, 2013. This schedule has been prepared by management in accordance with the provisions of The Public Sector Compensation Disclosure Act.

Management's Responsibility for the Schedule

Management is responsible for the preparation of the schedule in accordance with the provisions of The Public Sector Compensation Disclosure Act, and for such internal control as management determines is necessary to enable the preparation of the schedule that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial information in the schedule of compensation equal to or in excess of \$50,000 for individuals employed or affiliated with The City of Winnipeg for the calendar year ended December 31, 2013 is prepared, in all material respects, in accordance with the provisions of The Public Sector Compensation Disclosure Act.

Basis of Accounting

Without modifying our opinion, we draw attention to the note to the schedule, which describes the basis of accounting. The schedule is prepared to provide information as required under The Public Sector Compensation Disclosure Act. As a result, the schedule may not be suitable for another purpose.
